Great News from Ms. Nancy
in Room 137

nalopez@lakecountyschools.net

Dear Families; I hope you had a great Holidays with your kids and families ☺ The month of January we will start with our new "Building Study". We are going to encourage children on how to build things around areas with different materials. I am excited for this Study because I know children will learn a lot about it. Please help your child at home to talk about buildings and how can create their own building at home. The letters for this month are: G, S and J. We also will learn about the shape star. Please let the teacher know if you have any questions or concerns!

JANUARY

OUR LEARNING

BUILDING STUDY

*What do we know about buildings?
What do we want to find out about buildings?
What do you want to learn about buildings?*

HOME CONNECTION

Encourage your child to talk about buildings. Ask them questions like: how buildings are made of? What makes buildings different? How can you create your own building? What do you like about buildings?

Monday	Tuesday	Wednesday	Thursday	Friday
3	4	5	6	7 PDD Center Closed!
