Happy New Year! I hope you all had a great relaxing break with family and friends. In the month of January, we will focus on the letters G, S, and J. Your child will learn the name of each letter, the sound that the letter makes, and they will practice writing these letters 😊 If you have questions or concerns, do not hesitate to reach out to me through emails, a text on the Remind app., a phone call in class, or a note with your child!

## JANUARY 2022

### OUR LEARNING

*We will start a new study about buildings. Students will explore what different buildings look like and how they are built. We will learn what buildings are made of and how they are made strong.*

### HOME CONNECTION

*If you or anyone in your family works on buildings or has a job in a special building, please let me know! We would love for you to share your special knowledge with our class about buildings.*

## Remember!

The snow should be here in Leadville so please continue to bring your child's snow clothes to school every day. Please don't forget that you may drop your child off as early as 8:40am. Breakfast starts at 9:00am and is over promptly at 9:20 am to get our day started! Thank you for sharing your child with our class and let me know how our school can help your family! 😊
