

Student Health Services and Records

The purpose of the school health program shall be to supplement the efforts and guidance of parents/guardians to raise student awareness of the benefits of regular health care.

The objectives of the school health program are:

1. To promote good health habits among students.
2. To stimulate a sanitary, safe and healthful environment in school.
3. To assist in the identification and referral to appropriate health care providers for medical, psychological and physical needs.

Health records

Health records shall be maintained by the nursing staff and kept in a separate and secure health file in the school health office.

Access to the health files shall be limited to only those school personnel who have a specific and legitimate educational interest in the information for use in furthering a student's academic achievement or maintaining a safe and orderly teaching environment.

The nursing staff shall maintain a log showing who has been given access, when access occurred and to which specific records.

Annual screening programs

The sight and hearing of all students in kindergarten, first, second, third, fifth, seventh and ninth grades or students in comparable age groups referred for testing shall be tested during the school year by the school nurse, teacher, principal or other qualified person authorized by the school district, as required by law. These screenings shall not be required of any student whose parent/guardian objects on religious or personal grounds.

The parent/guardian shall be informed when a deficiency is found.

Dental health

The school district shall participate in programs to encourage good dental health including instruction, dental examination clinics when available and referral to agencies which can provide aid for those in need.

Communicable diseases

Students showing symptoms of a communicable disease, an infectious condition, or illness or disability of a serious nature shall be referred to the school nurse. The school nurse shall report to the principal for appropriate action the names of students with communicable diseases.
